LOCAL GUIDE: OPEN HOUSE SET FOR PLUK LAB

The public may try out Parents Let's Unite for Kids' new mobile technology lab today. The open house is 3-6 p.m. at 516 N. 32nd St.

PLUK recently received a grant from the Beaumont Foundation to expand the program's Technology Center. During the open house, PLUK will demonstrate the new equipment and discuss PLUK's overall program and services.

At 3:30 p.m., a hands-on "Workshop primarily for Kids" is planned, and, at 5 p.m., a "Hands-On Computer Experience for Everyone (including kids of all ages)" is planned. Refreshments will be served. For information, call PLUK at 255-0540.
