Wyden appearance to tout computer grants

ROSEBURG: U.S. Sen. Ron Wyden will appear Wednesday at the Boys & Girls Club of Umpqua Valley to celebrate the arrival of \$40,000 worth of donated computer equipment and software.

Ten laptop computers, along with digital cameras, a printer, wireless router and a projector, were donated by the Texas-based Beaumont Foundation of America. The club also received software packages from Microsoft.

Wyden will meet with club members and officials during a visit scheduled for 2 p.m. at the club, 1144 N.E. Cedar St. The Democratic senator has encouraged nonprofits and schools to apply for grants available from the Beaumont Foundation.
