**GOAL** *To meet the health care needs and services of underserved populations*

**A**ccess to quality care is important to eliminate health disparities and increase the quality and years of healthy life for all persons in the United States. Recognizing the critical role of quality and accessible health care in the well-being of individuals, families and communities, the Foundation seeks to dedicate resources to meet unmet health care needs, provide lodging to families while members are receiving medical treatment away from their home communities, and increase the availability of accessible and quality health-related services for underserved populations.

## **THE HUNTSMAN CANCER FOUNDATION**

*The Huntsman Cancer Foundation appreciates the support from the Beaumont Foundation of America because it has stimulated further development and expansion of our efforts to reach out to the under served and rural residents of our state, region, and beyond, to establish an outreach program for cancer prevention, early diagnosis, and treatment services for Native American tribes and other under served people.*
